

75143855

IP20

### Touch sensor, 3-gang comf, intg bus coupling unit, KNX - R.3, glass black

#### Technical Features

##### Installation, mounting

|             |                |
|-------------|----------------|
| Mounting on | Flush mounting |
|-------------|----------------|

##### Use conditions

|                       |            |
|-----------------------|------------|
| Operating temperature | -5 - 45 °C |
|-----------------------|------------|

##### Functions

|                                  |     |
|----------------------------------|-----|
| With room temperature controller | Yes |
|----------------------------------|-----|

##### Power

|                     |          |
|---------------------|----------|
| Current consumption | 12.50 mA |
|---------------------|----------|

##### Dimensions

|                                    |          |
|------------------------------------|----------|
| Built-in depth                     | 12.90 mm |
| Built-in depth flush-mounted boxes | 16 mm    |
| Height                             | 152 mm   |
| Width                              | 81 mm    |
| Depth                              | 23 mm    |

##### Equipment

|                            |   |
|----------------------------|---|
| Number of actuation points | 6 |
|----------------------------|---|

##### Controls and indicators

|                     |     |
|---------------------|-----|
| With LED indication | Yes |
|---------------------|-----|

##### Materials

|                |        |
|----------------|--------|
| Colour         | Black  |
| RAL code       | 9005   |
| Material       | Glass  |
| Surface finish | Glossy |

##### Accessories

|                     |    |
|---------------------|----|
| Has labelling field | No |
|---------------------|----|

##### Screen

|              |    |
|--------------|----|
| With display | No |
|--------------|----|

##### Texts

|                   |                                                                                                                                                                                                                               |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Function          | For switch, push-button, dimmer and shutter functions<br>Blocking function for sensor surface e.g. for cleaning the glass surface                                                                                             |
| Installation mode | For vertical mounting                                                                                                                                                                                                         |
| Temperature       | Additional connection for external temperature sensor<br>Integrated temperature sensor for operation as controller extension unit<br>Temperature measurement via internal Temperature sensor or external communication object |

##### Scope of delivery

|                         |     |
|-------------------------|-----|
| Bus connection included | Yes |
|-------------------------|-----|

##### Sustainability

|                 |     |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform    | Yes |
